Histio Warriors are boys and girls  
who are very brave and strong.

They keep their courage going even  
when days seem long.

Histo Warriors have big dreams  
just like you and me.

They have bright imaginations  
of who they want to be.

They can be a powerful ninja warrior  
fighting with all of his might...

...Or a beautiful princess warrior holding her crown so tight.

What kind of a warrior are you?

Family and friends admire these heroes whom they love.

They always light up any room  
and shine like the stars above.

All Histic Warriors are special  
in their own unique ways.

They help inspire the people  
around them each and every day.

Always remember, Warrior,  
that you are never alone...

There are many Histio Warriors  
to make you feel at home.

The Histiocytosis Association is a global nonprofit organization dedicated to addressing the unique needs of patients and families dealing with the effects of histiocytic disorders while leading the search for a cure. It is the only organization of its kind, connecting the patient and medical communities to:

- Grow and share knowledge of histiocytic disorders
- Provide critical emotional and educational support to patients and families and identify and fund key research initiatives that will lead to a world free of histiocytic disorders
